**Pune:** Jaquar Group, bathroom and lighting solutions company, launched Design Confab in Pune on Thursday, a platform to bring leading architects and builders together.

## DESIGN CONFAB NOW IN PUNE

The topic for the first Jaquar Group Design Confab was 'Best Practices for Smart, High-performance Indian Buildings'. In recognition of the excellence and effective best practices in this domain, Jaquar Group invited some of the leading minds of this industry.

Dikshu Kukreja, MD and Principal Architect, CP

Kukreja Associates; Pratap Jadhav, Pratap Jadhav and Associates; Prashant Sutaria, Prashant Sutaria Architecture; Sanjay Patil, Environ Planners and Ketan Jawdekar, Studio K7 attended the session.

Jaquar Group announced the LEED Platinum Certified rating from the United States Green Building Council (USGBC) received by the Jaquar Group headquarters.

Speaking on the occasion, Rajesh Mehra, Promoter and Director, Jaquar Group, said, "The idea was to create a first-of-its-kind knowledge forum for decision makers from the architectural and interior design fraternity to deliberate on best practices, emerging business opportunities and the changing dynamics of design in India."
